

Decal Replacement

Dear Valued Client

Please follow the instructions here to replace the “hot” and “cold” decal on your button.

1. Firstly remove the old decal from the button.

2. Clean the surface area with Methelated Spirits and allow 5 mins to dry.

3. Carefully remove decal off backing sheet. Apply the decal to the button and hold there for approx. 1 min with firm pressure.

***Avoid wetting your decal for the first 24 hours**

Regards, Par Taps
